Cadiz, December 8, N. S.

TWO Spaniſh Men of War of 64 Guns each, are ordered to be got ready to ſerve as Convoy to the Flota which is to go to Vera-Cruz in April next: All the other Men of War of the Spaniſh Squadron are laid up here. An Advice-Boat arrived three Days ago from Vera-Cruz, with an Account that the Ships with Quickſilver having on Board the Viceroy of Mexico, which ſailed from hence, are arrived there; as alſo that the Galleons were expected at the Havana from Porto-belo and Cartagena in November laſt, with a very rich Treaſure on board.

Madrid, Dec. 14, N. S. The Envoy of Genoa had Yeſterday his firſt publick Audience of their Catholick Majeſties, in which he asked Pardon in the Name of his Principals for their Behaviour in the Affair of Cardinal Alberoni. His Majeſty's Anſwer to what the Envoy ſaid upon that Occaſion is not yet made publick; but it is known the Queen's Anſwer was, That ſhe hoped the Republick would for the future avoid giving the King Occaſion of being diſpleaſed with them, and in that Supposition ſhe granted them her Friendſhip.

Lisbon, Dec. 19, N. S. Yeſterday Morning His Britannick Majeſty's Ship the Lynn ſailed out of this River for Barbadoes, having on board the Governour Collonel Worſley, who has had great Honours ſhewed him at this Court. His Portugueſe Majeſty ordered Proviſions of all Kinds ſufficient for the Voyage to be put on Board. M. de Mendonça, Secretary of State, dined with him the Day he imbarked, accompanied him to the Water-ſide, and would have gone with him on Board to take Leave of him there, but Mr. Worſley would not permit him. Twenty two Ships are now ſeen off the Bar, which our Merchants take to be the Fleet from the Bahia. On the 2d Inſtant His Britannick Majeſty's Ship the Colcheſter came into this River, having ſprung her Foremaſt in the late Storm at Sea. Yeſterday the Durſley Galley, another Britiſh Man of War, arrived here from Gibraltar, having left the Falmouth Man of War on the 13th Inſtant cruiſing in the Streights-Mouth.

From on Board His Majeſty's Ship the Dragon in the Mole of Genoa, Dec. 11, O. S. His Majeſty's Ship the Lyme, commanded by the Lord Vere Beauclair ſailed from hence on the 7th Inſtant to cruiſe in the Streights Mouth. The Revolution being now ready for the Sea, Commodore Scot has ordered Captain Steuart in the Wincheſter to convoy her to Gibraltar, whence it is deſigned the Falmouth ſhall proceed with her to England: But in caſe the Falmouth ſhall have left that Station, then Captain Steuart has Orders to convoy her Home.

Victualling-Office, Dec. 27, 1722.

Notice is hereby given, that all the ſhort Allowance Liſts of His Majeſty's Ships undermentioned, on which Payments were made in the Years 1700, 1701, 1702, 1703, *and* 1704, *will begin to be recalled on the* 22*d of January next, at the Pay-Office in Broad-ſtreet, viz.*
